

Coming from Canberra

About 305 km, so allow around 4 hours. This route goes inland through Goulburn, Taralga and Oberon, so you avoid Sydney and the Victoria Pass closure.

BEFORE YOU LEAVE

Check Live Traffic NSW ([livetraffic.com](https://www.livetraffic.com)) for Jenolan Caves Road, which has had repair closures near Hampton. If you'd rather stay on highways, drive via Sydney and follow our Getting Here directions instead. It's longer.
